

THE HALSEY FAMILY SCHOLARSHIP MUSIC OR SCIENCE

INFORMATION AND APPLICATION

A Post-Secondary Scholarship Program offered to Students from Camden County, Georgia pursuing a Bachelor's degree in either a Biological or Physical Science Field or pursuing a Music, Music Education, or Related Field.

The Halsey Family Scholarship is established by John F. (Jack) Halsey, PhD, and Sandra M. (Sandy) Halsey in recognition of the significant influence that both science and music education and research have had on their lives. The Halsey Family Scholarship awards up to four (4) academic semesters of support to undergraduate students beginning in their freshman year in college, based on continued progress and academic achievement.

One (1) student may be selected for a scholarship award from each field annually. The scholarship provides up to \$2,000 per semester (maximum, \$4,000 per year), which is paid directly to the post-secondary institution, on behalf of the student, to offset costs of tuition, fees, books, and room and board. Any excess funds are distributed to the student through the institution's student accounts services to pay for living expenses.

The criteria for scholarship award are as follows:

- Applicant must be a senior who will be graduating from Camden County High School, or any successor public high school(s) in Camden County.
- Applicant must be accepted at a regionally accredited undergraduate institute in the United States, with the intention of majoring in either:
 - The biological or physical science field. Examples of an appropriate majors include physics, chemistry, astronomy, biochemistry, biology, microbiology, or an engineering program in one of these areas of science, or;
 - Majoring in music, music education or a related field, such as a Bachelor of Arts in Music, Bachelor of Music in Music Education, Bachelor of Music in Composition, Bachelor of Music in Music Theory, Bachelor of Music in Performance, or a closely related field.
- The institution must be approved and accredited to offer a Bachelor's degree in one of these or a closely related field. The student must provide a copy of the acceptance letter with his/her scholarship application.
- The applicant must provide with the application an essay (limit 750 words) in which the applicant discusses his/her future interests in the field of science or music and provides some insight into his/her financial need, a copy of his/her high school transcript and a copy of current SAT or ACT scores (if obtained).

- Two letters of recommendation (at least one must be from a professor or teacher in the basic sciences or the field of music or music education) are required. These should be submitted directly to jfussell@coastalgeorgiafoundation.org by the professor or teacher.
- Preference will be given to applicants who have a demonstrated financial need and who have a declared and demonstrated interest in pursuing a career in either science or music.
- Applications are due April 21, 2021.
- Recommendations for scholarship award winners and alternates are made by a Selection Committee and the Foundation during April of each year, in advance of Scholarship Night.
- Once awarded a scholarship, students must maintain acceptable academic progress. Criteria include the student's GPA, institution attended, the major and the course load. The student must attain qualifying enrollment status to receive subsequent year funding: e.g., "sophomore" for year two.

The selection process for The Halsey Family Scholarships is overseen by the Communities of Coastal Georgia Foundation, where the scholarship fund is housed. Annually, the Board of the Foundation appoints a Scholarship Selection Committee to oversee the selection process for the various scholarship programs it administers. The Selection Committee will review application materials, interview applicants (as appropriate) and make recommendations for the award to the Board of the Foundation.

Checklist for Scholarship Application Submission

- Scholarship Application Form.
- Copy of Official High School Transcript (through last completed semester).
- Copy of ACT and/or SAT Scores (all, if obtained).
- Letter of Acceptance from College or University.
- Student Essay (750 words or less) which discusses applicant's career in the field of science or music and provides insight into applicant's financial need.
- Two letters of recommendation, emailed directly to jfussell@coastalgeorgiafoundation.org. At least one must be from a science or music teacher or professor.

The 2021 deadline for submission is April 21; all materials must be provided by that date.

For assistance contact: Jennifer Fussell jfussell@coastalgeorgiafoundation.org 912-324-4120.

HALSEY SCHOLARSHIP APPLICATION
